TASK NAME

Monthly Financial Data Entry

WEEK & HOURS WORKED

Week 1 • Hours

SKILLS USED

Microsoft Excel

Data Analysis

Teamwork

FULL DESCRIPTION

I assisted the senior accountant in recording daily transactions into the company's financial software. I also helped cross-check the weekly expense reports to ensure all physical receipts matched the recorded system data.

BIGGEST ACHIEVEMENT

🌟 I found and corrected a small miscalculation in the spreadsheet that saved the team hours of rework.
